	MPS0100 / MEGA0100TS	7-9		
	Sunny Island X 30	4-11		
	Sunny Island X 50			
	S6-EH3P(29.9-50)K-H	4-9		

Note:

- The Information in this document is subject to change without notice. Please take the latest version of this document at our websites into account.
- Always install the latest firmware on the Battery-Max LiteIn!
- The inverter brands are not listed in any particular order but alphabetical order.
- Installing an incompatible inverter will void the battery warranty.
- BYD will not be responsible for the quality and after-sales service of non-BYD batteries.
- Requirements for Parallel Connection:
 - Maximum thirty-two battery systems could be connected in parallel;
 - Every cabinets connected in parallel requires the same battery module quantity.
